“ *I first met Bob back in the 1990s when my late wife and I came here to do genealogy work. I walked into his office in Spring City and told him I was looking for Walkers and that my great grandfather was married to a Maggie Mullins. Bob pointed to his name plate on his desk and said, "I'm related to Maggie Mullins." Met him many times after that and went to a Mullins reunion at Watts Barr. I now live in Decatur with my current wife. RIP Bob...*
