“ So sorry to hear of Rob's passing. My condolences to all of Rob's family. I first met him in 1987 when Francine and I went to Florida. He drove us all around Florida and even drank the vanilla extract when he chose dare in a game of truth or dare. Saw him a few times when he lived in Lowell, but haven't seen him since. Prayers and hugs to all

“ I Love You Big Bro. I visited Rob and he cleaned and painted a room for me. Got a bed for me too. We had great times. Even when he came to visit me. ❤️

“ I remember when I was 18 and we were coming back from Florida by plane, to Massachusetts. My first plane and I'm petrified to fly. It was thundering and lightning out and you were tormenting me by telling me one of the engines was on fire. So I got you back by giving you some chocolate... but it was actually exlax!! 😊
