“ Thanks to all for for your prayers and caring. Daddy will be greatly missed.

As kids we always got hugs and kisses before he went off to work. We knew we were loved then and know it now. It broke his heart when Melanie died in 1998. You also didn't have to be his wife or kid to know you were loved becuae he would tell you.

Mom cared for Daddy after his health failed like no one else could. I hope I have her strength if ever called upon. Love ya Mom!

Thank you to Kyker's for making a difficult time a little easier. Also, a special thanks to Rev. Randy Griffis and Rev. Ted Clower. May God bless you as we have been blessed to have you in our lives.

“ *Bob was an integral part of the ORNL Guard Department and i enjoyed working with him for many years. He always came to work with a smile and was a friend to everyone in the department. His love for his wife and his pride in his family were frequent topics of conversation, and we will always have fond memories of him. My condolences to the family, he was a wonderful man that I am proud to have known..*
