“ *Mr Wilkerson was a wonderful person to call on when something went wrong with my air or fridge. It never took him long to find the problem. One day he pulled up in a small car with his window down and our blue Great Dane greeted him through the window, he was tickled to be greeted by her. I am so sorry that you lost your dad. Heaven just keeps getting sweeter. God Bless his family.*

Then as years passed I took care of Mr Wilkerson as patient in 1980's; years pass I needed an appliance worked on called Mr Wilkerson very professional showed up on time (something we lack today) did the job was working just like it should. Remember you kids when you were small happy & playful. So sorry to hear of you Dad's passing. Our thought are with you in this sad time.
