“ One too early morning for us sleepy head children-- a bus ride to Luttrell School-- Roger and his brother steps on board--years soon roll by then one night working the midnight shift at Loudon Hospital look up guess who-- there stood Roger. Sometimes we wonder why peoples paths cross or why we remember certain events that only one can. It's not by chance but the Lord plans it that way. Even in sad times memories are what will get you through. God's comforter for you--- memories to out last a life time. Roger fought a good fight and finish the race- kept the faith. 2 Timothy 4:7

I am so sorry to hear of Roger's passing. Roger and I were best buddies when we were little kids. We lived on adjoining farms on what is now Holt Road. I have so many fond memories of those years, riding bikes, climbing trees, hide and seek in the barn, watching our favorite tv program after school. I spent a lot of time with Roger and his family and loved them all. My thoughts and prayers to his family. I am sure there was a welcoming in Heaven that was grand. Roger was a kind and loving soul and I am sure he had great stores awaiting him.

“ I have great memories of Roger and Wade from childhood years at Luttrell School. I have great respect for this family and I grieve with you, other than Roger exemplified a godly life to his family, friends, co-workers and community. He will be greatly missed.
