“ Uncle Mike was such a kind, compassionate man. He has been incredibly supportive since the 2000 passing of my dad, his brother, Bob. He would listen, offer insight, and find a way to lighten the mood and make us laugh.  
During my visit to TN a couple years ago, he treated my 9 year old daughter, Jackie, and I to lunch. He showed genuine interest in what she had to say, then after lunch, he took her to a candy store for a giant lollipop. He made her feel very special and created a memory she will never forget.  
I have too many fond memories of Uncle Mike (and Aunt Betty) to list here. I know my dad loved his little brother and was proud of him.
