“ I am so sorry to hear about Keith passing. We graduated together and he was always such a nice person and I enjoyed talking to him at our class reunion in the summer.
God Bless you during this sad time.

“ Keith and I used to go home with each other from school. One time, Keith went home with me and my mom made chocolate gravy for breakfast the next morning. Keith's mother called my mom a few days later and asked her for the recipe for chocolate gravy. She said that Keith raved about it so much, she wanted to make it for him.
