“ I am so sorry to hear of Ronnie's passing. I had a teen crush on Ronnie back in the 80s because of those baby blue eyes. He went to church with us sometimes and was a sweet guy, and although I have not seen him in years, my heart is heavy for the family. May our loving God comfort in your sadness.

“ I was so sorry to hear the passing of Ronnie. I knew him in the 80's when I worked at the local theatre here in Thomaston. He came in almost every weekend with the normal crew. He was young, sweet & had the bluest eyes. I met him later on after years had taken our youth away, but what made me recognize him right off, you guessed it, the blue eyes. We chatted here in Thomaston at the Riverbend Restaurant a few years ago and we laughed and talked about the Ritz Theatre. I never really knew him in his adult life, but that one moment we spoke at the restaurant I knew that he had turned out to be a nice man. I will always remember his face, his blue eyes & the 80's attire walking up to the counter to order a coke or popcorn or to just chat on those Friday & Saturday nights. My heart is heavy for the family. I am so sorry for your loss. May he rest safely in the arms of Jesus!

“ Ronnie, You were a wonderful son. and a wonderful friend. The world is less one beautiful person. Thank you for allowing me to be a part of your life. You will be forever loved and forever missed. And like Mary said every time I look to the heavens I will see your beautiful blue eyes. I love you Ronnie.

“Ronnie you have always been my little brother and I will forever keep you in my heart, for I love you very much. No one could ask for a little brother with more heart than you had. You gave all, and then some. You will forever be missed and loved, but never ever forgotten. You made a difference to the lives that you touched. You brightened the many days when it seemed sorrow and unhappiness were all there was to look forward too. Each and every person that came in contact with you, walked away remembering that smile, and those big "baby blue" eyes that crinkled when you smiled (Which was all the time). Rest in peace little brother in knowing that you will forever be free of pain. I love you dearly, and my heart is truly breaking for I will miss you. I want you to know that your loss cuts my heart deeper than most anything I have ever lost in my life. Now when I look up at the sky, I will see your eyes in the blue of the sky and know you are looking down with that heart rending smile of yours.

I love you little brother!

Love,

Mary

Love,

Mary
