“ So sorry to hear of Ms. Rose's passing. She was truly one of a kind, and we will not see the likes of this beautiful spirit nor talent pass this way again. A legend in our little corner of the world, and we were truly blessed to call her one of our own. Rest in peace dear lady - you've left us a beautiful legacy.

“ Ben, thank you for the care that you demonstrated with my Aunt and your Mother. Such a prolific artist-hundreds of paintings-and I look up and see the painting of a trout she did for me for my study or my wife serves my smoked salmon on the Blue Gill serving dish she gave me. I became an Engineer because her husband and your Dad encouraged me. Your Mother is the last of a generation that created and cared and I will miss her. Thankfully, she left her artistry to remind us of her and her ability to create.

“ *My late husband Dick Evans admired Rose Ridings always. He had several of her paintings hanging in his law office. He also commissioned Rose to paint a lake sunset scene for our new house. Rose you brought joy to many!*
