“ *Janice--I never had the opportunity to meet your mother, but I know by the daughter she raised that she must be a beautiful person to have known. May she rest in peace in heaven now that her trials on earth are through and may her memory forever live in the hearts of those who loved her. Love, Lisa*

“ *Rosella was a very special person. She cared deeply about her family, friends and her city. She worked hard to try to improve the appearance of Harriman. And, she didn't care to step on toes when discussing things she thought should be done!  
Our family will always remember the good times we shared at Valley Chapel Church.*
