“ *It is with great sorrow that I write this today. I've been on a search for finding the Roy Bowen that I remember so well from USNavy boot camp. Roy was the RPOC, Recruit Petty Officer in Charge, of the company that I also attended. He and I got along so well. I am so very sorry that I didn't start this quest much sooner. To those that may read this, I send my very best wishes for Roy's family and friends. Roy will remain in my memories and will always be a part of my life.*
