“*Ruby was one of the kindest ladies I have known. She was a marvelous friend and showed a true Christian attitude to all. She was a great cook, a devoted church member, and a fine woman in all aspects. Ruby also had a great smile and a warm sense of humor to go with it.*

“ I was just thinking about Ruby yesterday as I was getting dressed. I had not been in touch with her in a long time. How interesting that she came to mind. Ruby and Edna Jean were two of my mother's best friends. Ruby was known as the best cook around! She was such a precious, Christian lady. What fun we had at Dollywood that summer with Mother! I loved her dearly, and will miss her. Please know how much joy and sunshine she brought into the lives of everyone she touched. I know that Ruby, Edna Jean, and Mother are once again together and in the safe arms of our Lord.
