“ *Homer, Tom & their families:*

*With Deepest Sympathy may caring thoughts comfort you all at this time. Ruby was a wonderful person. Sally Edwards (my grandmother) and Ruby worked many years together in the local hosiery mills in Harriman and they also had a very close personal relationship living across the street from each other.*

*Sincerely,*

“ *I have truly missed seeing Ms. Ruby at church the past couple of years. I know she came as often as she was able. Her beautiful smile would light up a room and I just loved being around her. She just always seemed so young at heart and full of joy. I have no doubt she is rejoicing with the angels today. I will be lifting the family up in my prayers.*
