“ *Ruby and I served on our Prayer Chain at Riverside Church. I always took a few minutes to talk to her after I gave her the person's name we were praying for and I always told her I loved her before I hung up . She always said I love you too. I will miss her - she was a blessing. I pray the Lord's blessings on your family and you will find the comfort of many.*

“ Dear family and friends,
"Death", or so we call it, is always hard on those of us left behind because we mourn the emptiness that a passing leaves. What we must remind ourselves is that we are all on a path back home to our Father who loves us more than we can humanly, possibly, imagine. Our loved ones who make it there before us, will be there to greet us upon our eventual arrival.
I know, beyond a shadow of a doubt, that Ms. Ruby has not only "looked into the face of Jesus", but has been warmly embraced by Him as well.
Celebrate her life and love, and you will be in our prayers.

“ Jimmy,
Please accept my heart felt condolences in the passing and relocation of your mom. "I have waited 84 years to look into the face of Jesus" is a great statement of our hope. Thank you for sharing this memory with me.
As you and her family celebrate her life, I know that Jesus will be glorified. Please find comfort in knowing that great reunion day is coming when we can all get to know her and maybe she will have a new poem to share.
We all have you in our thoughts and prayers at this time.
