“ Mike and Carolyn and family, Ruby and John Ed meant a lot to me. I hate to let them go, but I will always have good memories of them and you also.

“ It was so sad to hear of Ruby's death. She was a very good friend. We went through School together. I have many fond memories of the fun and good times we had at SHHS. She was always smiling.. I cherish the memories. She is in a better place no more suffering or pain. My prayers are with the family.
