“ So very sorry and sadden to hear about Ruby! If I had know in time, I would have been at the services. Ruby was like a second mom to me and I loved her very much. We worked together for years and then stayed in touch later. She was a wonderful, funny, smart, very caring, and loving person. She was always upbeat and positive even with her own problems. I valued her advice and I treasured our friendship even more. She will be missed.

May God bring you comfort and your wonderful memories bring you smiles and peace in the days ahead.

*In prayer for you and your family,
Donna*

“ *Dear Steve, Mike and Family:
I can't remember now knowing Ruby or not loving her. I loved talking to her because she always recalled some of the crazy things that Karen and I had done over the years. Ruby did not have an easy life with great sorrow all along the way. She always had a ready smile for those she cared for and loved.*

Your loss is great and my prayers will be with you all as you adjust. I thank God this is just a temporary separation and that some day we will be together for eternity. May God bless you and comfort your hearts.

*love,
Janet*
