“ *My grandmother was a true matriarch. The cornerstone, the glue, that held my family together for as long as I can remember. She was kind, she was gentle, and she taught us all how to love: how to love each other, how to love others, but, most of all, how to love God. I, and the rest of the Steelman Clan (although we'll never show it), are devastated she's gone, but we take comfort in the fact that she's with papaw and Charlotte and know that she'll be taken care of in the arms of the Lord. We love you and miss you so much Granny.*
