“ I was upset to learn of Rubye's passing. As a small child I was excited for this grown-up to visit. Every Christmas she gave my sister and me a big mesh candy stocking. I loved her hair. When I was in high school and my Dad was sick, she made a get well visit. She had just gone 'blonde' and Dad had fun telling about the blonde who came to visit, making hints until Mom figured it was Rubye. My youngest will be 21 in a couple weeks-he is named after Jake. Jake and Rubye were very close to my family, from my grandmother, parents and all us girls. My Dad died March 24 8 years ago.

“ I only knew Rubye for a couple of years, but I liked her from the moment we first met. She was quite a lady and I know she will be missed by her friends and family.
