“ I was so saddened to hear of Ruth Ann's passing. Her family was very special to me and my family. Her mother was my mothers best friend for many years and her daughter is my namesake. We have many wonderful memories of shared moments. I remember as a teenager spending weeks in their home in Rockwood and waterskiing on the lake with them and the Coopers. How wonderful to know that we will see them once again in Heaven. Our prayers are with Nancy and David and their families.
