“ Ruth and I met through Camp Fire Boys & Girls so many years ago; such a loving, wonderful woman! During those years she often talked of her husband, Arnie this and Arnie that...but we never saw him. Never! I teased her a lot about her pretend husband but after about ten or so years I finally met him and believed every wonderful thing she said! I knew that losing him was hard for her. Then she met Johnny and her life was good again. I know how much she loved her girls and adored her grand and great children...she was a woman who loved and was sincerely loved in return. Ruth was a good woman from head to toe, may her light continue to shine on her friends and family.

Much love and peace,
Chris

“ Dear Family,
My first memory of Ruth - she, along with "Pumpkin:, Ginny (Virginia), and Janette, walking toward our house on Brasstown. I can't tell (in public) what was said!
We (my generation) are blessed for the depth of love that was and is showered on us by our parents/aunts/uncles/Mamy and each other. That love is double-edged, as it brings joy - daily, but also brings sorrow when death events make changes.
I love all of you and give thanks daily.
