“ Although I did not personally know Mr. Reed, I knew of him through his daughter Sammie and her devotion to him. From reading the obituary, it is clear that he led a fulfilled life. My sympathies go out to Sammie, Scott, Andy, and the rest of his family as they grieve his passing.

“ Sammie, Gordon, you are both in my thoughts today as you face this difficult time. But remember the laughter, the fun, the things he taught you both. He helped you both grown into two very amazing people.
