“*Movita was a special friend from when we were 8 yo and on. Mother would call us down and tell us to eat supper but all we could do was giggle when we looked at each other. She was from Swannanoa and I lived at Oteen, near Aunt Geet and my Uncle Harry. They treated us to sleepovers through the summers. We listened to summer rains before going to sleep. It was a peaceful time. When we were older, we would lay awake and talk. One night, with Aunt Geet joining in, we told each other what we would do if we had a million dollars. Fast friends, we always enjoyed each other's company. When I got my license, we drove to all kinds of places, stretching our wings and being adventurous. After graduation, we both worked at CTS before being married. Afterwards our lives went separate ways. One thing did not. I always considered Movita my friend. She was sweet, smart, industrious, honored her parents and honored God. She lived her life righteously on a daily basis. From the day that I heard of Movita's passing, her family has been in my prayers. My brothers, Warren and Bud, were also saddened by the news. I hope you all hold the promises of God in your hearts. May you look forward to seeing your mother, grandmother and sister in heaven...and may God comfort you with His peace and guide you in all of your days.*

With love,

Phyllis

“ *Movita was such a sweet and dear cousin, and like a sister too me. Her sweetness touched my life and she was so much fun to be with when we were growing up. I never heard her say a bad word about anyone, and she loved the Lord with all her heart. May God bless the family and loved ones, and I look forward to seeing her in Heaven again.*
