To the family I'm praying for you. Just be encouraged. And remember, earth has no sorry that Heaven can not heal. To be absent from the body, is to be present with the Lord.

Demarcus always stood up for me in high school and was there for me during hard times. A wonderful man. God bless him and his family in this time.

He treated my like his daughter when he knew i was in a rough home at the time ❤️ The first time met him was when we and he was trying to crack jokes and we just went back and forth, he bought us a bounce house for my brothers birthday party because my granny couldn't afford it, he paid my phone bill because he knew i wanted stuff like the kids at school 😞 ive really been thinking abt him lately he always made me laugh and supported me when nobody did

I just saw you on my birthday as I was putting up your mom's Christmas tree and of course you were being your usual self picking at me " Auntie Lori you know you can't put that tree up as good as I can" if you did pick at me i would have thought you were mad at me and I really can't say that either never really knew of you to get mad at anyone really . You will be missed. RIP D MONEY Being in the hospital keeps me from attending today but my heart is there with you and your family!!!! love you all*
