“ Sam,  
You have been a part of my life for so many years, I can't even fathom life without you running around behind my children. You will always be the first papaw my lil Serinity ever knew. You taught her so much, and I think she did the same for you. She asked for you the day we found out... my heart broke in a million pieces. She had her uncle put her swing up so papaw could watch her swing from heaven. She's so smart! I PROMISE that I will never let her or Camora forget what a big part of their lives that you were. I know we had our fights, but you treated me like your own. I'll definitely miss your random lectures, and the times where you would come through the house bragging about how good you looked for your age. I pray that Mom Candice and Cody find peace and understanding through all of the hurt. I'll never understand why you were stripped from our lives; I will just trust that it was God's will. Please watch over us from heaven... and if God allows it, make sure to give us daily reminders of all the great memories.  
You will forever be in our Hearts!  
We LOVE YOU!
