“ *Ronnie and Shannon, So sorry to hear of Sandy's death. She isn't suffering any more and she's now RUNNING down those streets of gold! For a few months I worked with Sandy at Y12 and we had a few good laughs. Know you are remembered in prayer and friendship.*

“ *I feel for you, Ronnie, but when you lose your spouse, it is hard I know, but she is in a better place. Sandra was a beautiful woman and everyone she knew will miss her. She is still in your heart and always will be. May God be with you and Shannon through this time. I know He will.*

“ Thinking about you today and in days to come with hope that you are surrounded by family, friends, and acquaintances that knew and loved Sandy. Hearing the words you spoke "now she is healed" is a great testimony to our Lord and Savior Jesus Christ. Ronnie has been the best husband and caregiver and friend to some many who now lift him up to the Father for strength and endurance during this difficult time. We love him so!
