“ Like so many who have already posted, I too had the opportunity to work with Sandy on many projects. She was always so great to work with; patient, helpful, always willing to go the extra mile. My prayers are with her family and friends during this difficult time. I know she will be missed by so many people.

“ Oh, Sandy, how we will miss you. I always told people you were my favorite person at TeamHealth, and I wasn't alone in that thought. You were always so kind and so very good at your job. You always delivered above and beyond and knew what we needed even if we didn't ask for it. You were always responsive to everyone and just an absolute pleasure to talk to. I'm so sorry for your family, and I know they will miss you dearly. We will certainly will never forget you. Sending my prayers and love.

“ I am going to miss working Sandy at TeamHealth. Such a sweet lady. Always caring for others. I'm new to the southern part of the US. Her accent was difficult to understand at times, but I loved it. In a way, she helped train me at TeamHealth and with living in Tennessee. She will always have special memories of her. Take care Smith Family. You are in our prayers.
