“ Sorry to learn of Sandra's passing. We went to school together and I remember her with the smoothest freckled complexion and the whitest teen. I envied her for that. She had the greatest laugh!. My prayers are with you.

“ I did not ever meet this lady but as the publisher of the Spring City Watts Bar Lake Observer newspaper for the past 25 years I totally understand where she was coming from and what she wanted to do for her community. I identify with her commitment and dedication to her community. I admire her efforts. Just because the presses have ceased does not mean her influence on her community will end. In a statement that only newspaper people will understand...that's a wrap. Well done Lady!

“ When someone you love becomes a memory, the memory becomes a treasure to last forever. Sandra will always be kept in everyone's heart. She was such an amazing person with such a big heart, as well as beautiful inside and out and will be deeply missed by many. My heart goes out to my sweet great uncle johnny, and the rest of our family. She IS in a better place now, I know we would ALL rather have her here with us. But she is in a wonderful place and is no longer suffering. I'm so sorry for the loss, and my sympathy and prayers are with the family.

Love,

Brandi --Betty and Charles Granddaughter.

“ I am so sorry about this. But I remember so well the last time I talked with Sandra, at the dollar general market. She looked well, but she told me that she hated to leave all her loved ones but she was ready when God was ready for her. I admired her courage and faith. She will be missed. I love you all and God bless you all. Mama ( Betty Wester) sends her love to John and the boys as well. cousin, Gloria
