“ I know joyce will be missed by everyone that knew her. She was always happy and talking about her family. I enjoyed working with her on several jobs and I'll miss seeing her around Roane county. As a family you took good care of her this year and i know she was proud of her care. I will have all of you in my thoughts and if you need me I'm just down the road.

“ My heart is full of sadness and full of joy! I am sad for the loss of your wife, your mother, your grandmother and your friend. I am joyful for the rest and peace that Joyce has now. No one likes to hear that "She is in a better place" even if it is true. I know that she fought long and hard and now she is at rest, Cheryl, when we were "bratty" teenagers, you and your mom meant the world to me. She was there when I needed to talk to someone that would listen and not yell. I loved her just like she was my own mom. I know that you are sad and I wish that I could be there to help comfort you. I love you so much, my friend.
