“ *I want to pay tribute to one of the finest women who ever walked the face of this earth. Sara Marlow was indeed one of the most wonderful persons I have had the privelage of knowing. When I was a kid she welcomed me into her home and treated me just like one of her own. She cared for me just like a mother would have. I will always hold a special place in my heart for her as she was just like a mamaw to me as she was to Mandy and Lynne. To all of the family my heart hurt right along with you. I am sorry I could not be there to celebrate Sara's life. I however have been there in spirit and been praying for each and every one of you that you may find comfort and peace during this most difficult time. I love each and every one of you.*

“ Dear gentle Aunt Sara's Children,
I will try to make it down. I may be late getting there. If I don't make it to the funeral home in time. I shall come to Yvonne and Tommy's house upon arrival. You know I loved Aunt Sarah. As I dearly love each one of you.
