“ *Scotty was my piano player with the navy band in Corpus Christi, Texas  
He was the backbone of our Dixieland group called the Dons of Dixie. I so enjoyed working with Scotty. He was always dependable and as professional as anyone could be. There's no doubt that Scotty will be missed to no end. A great guy, a great musician, a great friend.*

“ *Edith, Sandra and I are so saddened to hear about Scott's passing. I enjoyed many hours of Scott's company when we were playing together in the Clique. He was a gentle man with a quick laugh. My only regret is that we lost contact with Scott after the family moved to Tennessee.*

“ *We met in Corpus Christi for duty with in US Navy Band # 95( CNATRA Band) Although we were together briefly, we became good friends. When he was assigned as leader of the musical group Sonora Del Mar, I knew the group would be in excellent hands. Our next brief meeting would be with the US Navy Band San Diego. (USNTC SAN DIEGO.) Wherever he was stationed, he always made his mark. We have lost another fine shipmate, but he will always be remembered fondly. Our prayers are with you and we share your sorrow.*
