“ *Scotty, my dearly missed \$cotty; not a day goes by that I dont think of you and miss you so deeply. All the time I think about when we where in high school and dating and so in love and we had a trip to the Tennessee Valley Fair with the Technical school and as we came up on the fair you just kept driving and we went to Gatlingburg and Pigeon Forge instead, we had so much fun. And went to Dollywood because I had never been and to this day haven't went back. We was soaked from the rides. I can still remember that day as fresh in my mind as if it was yesterday. I miss you so much. You was my first true love. And will always be my love. I still have never loved another the way I loved you.... My dear Scotty you will live forever in my heart.. I love you and may you Rest In Peace. I'll see you when I get there.*

Love Always, Shanda, your China Doll
