“ *Our mothers were such good friends here on earth and I can just imagine them greeting one another in Heaven! How sweet the promise and how precious the hope we have though our Lord and Savior Jesus Christ. Your life will never be the same here without your mom but treasure the memories of one who loved you enough to tell and teach you about Jesus Who has made a way for us all to be reunited for eternity! May God comfort you as only He can...*
