“ Sheila was my "Baby" Cousin. When the folks brought us down to Tennessee on vacation...I always wanted to stay with the Greene Family. My Uncle Bob (my Mom's Brother) & Sheila's Daddy...always welcomed us with open arms. I am so blessed to be a part of this Family. They have left so many good memories in my heart. We will always remember that little spoiled girl that tattled all the time....then, turn around & show you love. She grew up, loved her "dollies", her photo's, & her family. She missed her momma. God decided her Momma missed her too. LOVE YOU BABY!!!

“ I met Sheila when we were children at the Cherokee School Baseball field. I came to know her well when I was a neighbor and member of the Church she visited every day. I was a temporary employee for a year in 1990 and Sheila visited us every day. It was her delight to see what we were wearing and especially the type of shoes we had on. I was not much of a thrill for her since she told me everyday, "You've got them ole "sannals" on again". My daughter and I just loved her I always worried who would care for her when her parents were gone, but the Lord decided to take her before her sweet Daddy. He needed Sheila with Him!

“ I am the the Director on the hall where Sheila lived. I just don't have the words to express the emptiness on our hall since Sheila went to the hospital..She loved the Vols and she loved animals. Even when you were having a bad day her smile and precious spirit somehow made it better. We love you Sheila and miss you. God bless her family during their time of loss , they have always supportive for her and I know they miss her greatly.!

“ i was one of the aides that cared for sheila, i'm going to miss her alot. The hall isn't the same now, when i walk in I won't get to see her face light up, when she use to come up to me demanding her morning hug, an telling me how much she loved me. An i'm going to miss our boxing matches we use to have in middle of the hall, an chasing each other around, her laugh would always tickle me. Basketball season will never be the same either, i have never met anyone that could tell you so much about the sport. Sheila was our baby, she was very special to us all. Our prayers go out to her family, specially "BIG DADDY" you are an amazing man, god bless you..

“ We became acquainted with Shelia through Cumberland Village. Charlie's mother was in the room next to her. I met her father and her brother Bobby. She always talked and joked with us. I miss her so much already. The halls are not the same without her. I know she walks in heaven now and her feet don't hurt. She was such a joy to know. Our prayers are with all the family....
