“ *It was my privilege, and my pleasure, to be Mrs. Raby's home health nurse. More importantly, to me, was becoming good friends. She was generous in sharing some of her recipes, and her tomatoes. On days she did not feel very well, she always managed a smile or a laugh. I will always remember our early morning visits. With wonderful memories, and deepest sympathy,*

Memories of working with Shell on Jaycette projects. No one cooked better than she did. I had most of her kids in school and loved them all. My children were great friends with her kids. We will miss her but have many great memories of Neal and Shell both. Love Diane and Mickey
