“ *Sherri was such a sweet girl and a hard worker. She worked in the Putnam County School System and was an asset to the students and co-workers. Sending thoughts to all the family. Rest in peace, Sherri. Jan McReynolds*

“ *Dear Family,  
I have wonderful memories of Sherri as my fellow worker in the School To Work program in Putnam County. She had such compassion for the students and I loved her for that. Sherri showed the students using her work ethic, what had to be done to be a good employee She was so beautiful but didn't seem to know it. I am so sad and will be praying that you can receive comfort and peace in the days ahead.  
Sincerely,
