“ Sherri we were friends in high school then I went off to Vietnam and 2 yrs later came home to not being able to find many friends. You were one of those. But about 9 years ago we found each other on the P.C. and started kidding each other. You were always so sweet. I am glad I had the great chance to call you my friend. You will surely be missed by many. Love you my friend... Dennis the Menace . LOL

We are so very sorry for your loss. We were lucky enough to visit Cousin Sherri in 2019 after over 30 years...was a nice visit, she gave us a daily gratitude book we continue to read everyday. Until we meet again ❤️🙏 *Prayers for you and your family.* 😭
