“ Barbara and Stacy My love and heart go out to you and your family at this time. So sorry to hear about the passing of Stacy. She was a great person loving caring and would give the shirt off her back for anyone. She will be greatly missed by many. Me and Stacy had words but she was always there when i needed someone to talk to she was like my best friend she always lended me an ear or hand or gave me that sweet precious hug and she knew everything i've went throught this year. It breaks my heart to know that she isn't going to be around anymore but i also know that you and your family have a hollow heart that's empty and nothing can fill that place where stacy once was but her love remains there always and forever if there is anything i can do for you and Vicki please don't hesitate to call and ask i'll try my best to be there wither it's an ear or a hand sending you all my love and hugs and thoughts and prayers love you both dearly
