“ I only knew Stacey for a couple of years. We worked at Boeing in Oak Ridge. I found her to be cheerful and a hard worker. She was eager to learn new skills and expand her abilities. She always impressed me as a woman who lived her life her own way. She will be missed.

“ I am so lucky to have known this beautiful woman. She was one of the most caring, fun and adventurous people I have ever met. One of the most memorable times in my life was being around her. She used to take me to a special place of hers outside of Cleveland, TN on top of a bluff that over looked the valley below. It was a very beautiful and calming place, just like her. She was one of the first people we hired when we were setting up the ATK facility in Oak Ridge. She was a person that anyone could turn to for help. She wouldn't quit until the job was done. She will be missed dearly by all. She and her family will always be in my thoughts and prayers.

“ I was devastated to hear of Stacey passing. I grew up just a few miles from Starlin, Tony, Stacey and Chris. My Dad was best friends with her Grandfather, Kaye Pitcock, so I was at their home often. I have many cherished memories from those days and a lifelong love for this family. My thoughts and prayers are with Tony and Chris, their Aunt Phyllis and all those who loved Stacey! I am sure Verlin, Teeny, Starlin, Kaye, Grace, Janice and many others were waiting to welcome her home! Sending my love to you all!
