“ I was fortunate to have met Stacey from work. I remember meeting her for the first time during her trip to PA. She had me laughing the whole lunch. She always made me laugh and could light up a room with her infectious smile. I loved seeing her during our summits. She was the life of the DHL party! Stacey was a beautiful person, inside and out, full of energy and love.

To Jon and the kids - my heart breaks for you as you try to process and heal. I am so so sorry for your loss. She always talked about you; you were her world. May you find the strength and know that she will always be looking down on you, forever in our hearts. Holding you close in my thoughts and sending many prayers.

Stacey was my manager at DHL. She was very nice and funny. She truly talked about her family all the time, was happy about her new home, going on vacations and going to school activities. May you rest in peace. From Malaika Washington
