“ *My first and best friend growing up when I moved to Tennessee. Our lives took different paths as we grew up but I've always cherished our friendship. You will be forever missed, love you my friend. Tammy*

“ *Hey Steph, I started to say grace but no one would understand that but me and you and we would have a good laugh. The last few months talking to you have been a blessing in my life. From the time you were a tiny little girl to the beautiful woman you became, I have loved you. I hope you are resting well in the arms of the Angels and I know I will see you soon I love you Aunt Billie*
