“ I first knew Mark as one of my students at TMI. He was a very intelligent person who was not quick to speak out in class but when he said something it was of substance. He quickly became one of my favorites. I have enjoyed keeping in touch through Facebook as I believe we shared the same political views and a similar sense of humor. I will miss seeing his posts and regret not touching base more often personally. My sympathy to Mark's family. I hope you will find peace in your good memories.

“ I have had the pleasure of knowing this wonderful man for approximately 5 and a half years. Mark was my first "true" boss being that he hired me to join his team at the Madisonville Probation/Parole Office. I cannot say enough wonderful things about this man. I believe it is best we let his life speak for itself. Mark was a devoted Christian and was not ashamed to show it. I feel honored to have known him and call him a friend. Mark, brother I will miss you!!

“ I have known this wonderful man and his parents, wife and children for many years. Always a gentleman, positive and sincere with everyone. I admired him as a deacon and the way he treated his parents, wife, daughters and fellow man. I wish the world could be like him. It would be an almost perfect place. God bless you, Amy, the girls, Mort, Carolyn, Mike and all his friends.

“ Mark has always been a quite soul ever since I met him 14 years ago. He was certainly dedicated to his family and friends alike. A man of integrity others could look to as a model of a man to be followed. He will be missed by all those whos lives he has touched over the years. Mark I will miss your humor and wit. David Dodson
