“ *My wife Susan and I looked up my Air Force friend, Eldon Melhorn, on a road trip after I retired from my job in Ca. Sue and Mel were gracious to us for a one week stay. Sue was a very fun person to visit and the 4 of us went out on the river boating and Sue cooked and spent many hours with us. What a wonderful lady she was for my hard of hearing wife in 2013. Rest in peace, dear Sue, and condolences to all her family and friends. Lee & Susan Fortner, Stockton, Ca.*

“ *This woman was the best mother-in-law a man could ask for. She love me like a son for the 31 years I was privileged to be a part of her family. I will always cherish the countless hours I spent talking to her about so many things. She was loving, caring, and wise. The world is less without her in it. I will never forget her and will love her all my remaining days.*
