“ I was greatly saddened to hear of the passing of Mrs. Turner. She was a favorite neighbor of mine for many years. She was always interested in what me and my siblings were doing, making us feel very special. Even after we moved away from Cherokee Hills, she remained a close friend.

I fondly remember her efforts in creating an around-the-clock prayer chain when my brother served as a missionary in China. It's hard to find lady's like Mrs. Turner, and I know our church and community will greatly miss her.

“ I'm sorry to hear about the passing of Mrs. Turner. She has been a family friend for many years and for many generations of Teffetellers and Elmores. Growing up, I always loved walking around our neighborhood and getting to visit with Mr. and Mrs. Turner while they worked in their yard. They also sat a few rows in front of me at church for many years.

Mrs. Turner's kind words and sweet smile will be greatly missed by many. I know she loved her daughters very much and looked forward to the times they got to visit. She was also very proud of her granddaughter, Samantha, whom I got know during her summer visits to the Turner home for VBS.

I'm sorry that I will be unable to attend the funeral, but my prayers will be with you all during the coming weeks.

“ Sue, Sandra and Jayne,
So sorry to hear about your mother. The neighborhood is losing all its anchors. Your mother was one of the ones who held the neighborhood together. She was a good woman. May God Bless each of you and give you comfort.

“ My last memory of Syble was at Sue's making biscuits for breakfast. It was the first time I met her and what a wonderful, smart, on the ball woman. She was to me, and should be to all, an inspiration. What a wonderful woman. I know she will be missed by all family and friends. My thoughts and prayers are with Sue, Don and the family.

“ Aunt Syble loved to wear hats. She wore many hats, all of them pretty. I was always delighted to see her, and most interested to know about the family....and the hat she was currently wearing, Most respectfully and lovingly, I called her my "Aunt Fluzzie"....and she loved it! Her entire family has always been very special to me and am thankful to be in the same family. Heaven's getting sweeter all the time! My love, Romayne
