“ *Tammy was a long time great friend. We shared a room at band camps, flag camp and band trips. Oh what fun we had! Sadly we lost touch as I moved away after college. Reconnecting on Facebook-we shared our fur babies, grand babies and recipes. I am forever grateful for knowing you and loving you my dear lifelong friend. ☐☐*

*Tammy was a fine classmate and lady. Her mom used to cut my hair back in the early days. Spent the super bowl party at her house. Never saw such a spread of food in my life...all good. The last time I spoke to her she and friends were at a sports grille on Emory in Knoxville to watch her son play in his band. She was so proud of her sons, grandkids and her dog Zane. May she rest in peace till we meet her down the road...*
