“ So very sorry for your loss . She was such a special person and I know that you will miss her very much. I just know that her and Aunt Hossie are together now. The Lord took this very special Angel home to be with him and though we will miss her , we will see her again. Didn't have a number to reach you to let you know you are in my thoughts and prayers. Will try to make it up for the service but if not then just know that I am there in spirit . Love you all,
