“ Mom always was so strong no matter what she was going through in life she would always stop what she was doing and help in any way she could. I won't be the person and mom that I am if it wasn't for her. I thought at times that she said stuff and did stuff to be mean but she did it for my own good and I thank her for that. There isn't a day that goes by that I don't miss you but I know that you are no longer suffering and I know in my heart that we'll be together again and I miss calling you just to say hi and that I love you

“ I knew Teresa from our days at old Kingston Elementary School and remember her as always smiling, laughing, and having a good time with everyone. I remember how excited she was to have a little sister when we were growing up and how much she loved her family. Her smile was contagious and her laugh always made you want to join right in. She had a way of telling a story that just made you want to laugh and hear more of what she was saying. She will be missed by many people. May your family find some comfort in knowing how many people were touched by you through the course of your lifetime and the fact you made this world a much better place.

“ Being around Teresa was like drinking from a refreshing fountain of cool water on a warm summer day. Her smile was infectious and with nothing more than that smile, she always left me wanting to be a little more like her - kind, loving, gentle, encouraging and joyful. She was one of those rare people who brought out the best in others just by her presence. What a gift to have known her!

“ Teresa was a great lady and a beautiful person inside and out. I will truly miss her sweet, soft, calming voice and contagious smile. My prayers are with you, her family, and may you find solace in knowing that she is with her Lord and Savior. She was a precious lady and FSRMC was a better place for having her as one of our family.

I went to school with Teresa and just in recent years she reached out to me about a class reunion that I unfortunately was unable to attend. She was a sweet and generous person and will be missed by many. I am saddened to hear of her passing. RIP beautiful lady.

Teresa was a very dear friend of mine. I always texted her an old time goodnight saying that she loved: "Goodnight, sleep tight, don't let the bed bugs bite. I love you my friend". She said she looked forward to that every night and she didn't know what she would do without her caring friends. Rest peaceful my precious friend. I love you.
