“ I was so sorry to hear this news. Terry reminded me most of his Dad. It's been a long time since there was a family reunion of the extended Billings family but I remember several of the ones I was fortunate to be able to attend.

Thoughts and prayers for Brenda and the entire family during this time of loss.

“ I am at a loss for words. It has been forever since I last saw Terry and his family. I do remember the great times we spend together as kids when the Billings clan got together for a nice Tennessee summer BBQ. There was always some mischief brewing when we came together but what great fun it was. I will always cherish those fond memories and will see you again in due time. Say hi to our dads when you get a chance.

Yes Doug, you and Terry could certainly brew up some mischief together, like on our fishin trip to the catfish hole.

“ *I really enjoyed getting to know Terry from Denso. We had many wonderful conversations and was so happy for him on his retirement. I knew he was going to spend lots of time with his family whom he was always so proud to talk about. Rest easy Terry, will see you again one day.*

“ Always fond memories of all the Billings boys when we all got together many years ago. Aaron and I were certainly the youngest of the crew. Rest in peace Terry.
