“ Very few people have felt and shared with others a special precious Love that Jackie, Mary Helen, and Jacqueline have shown to us! They shared their Love with each and everyone of us! What a blessing! Love you All!

I Carry Your Heart

*I carry your heart with me (I carry it in my heart)
I am never without it (anywhere I go you go, my dear; and whatever is done by only me is your doing, my darling)*

*I fear no fate (for you are my fate, my sweet)
I want no world (for beautiful you are my world, my true)*

*And it's you are whatever a moon has always meant and whatever a sun will always sing is you
Here is the deepest secret nobody knows (here is the root of the root and the bud of the bud and the sky of a tree called life; which grows higher than soul can hope or mind can hide)*

*And this is the wonder that's keeping the stars apart
I carry your heart (I carry it in my heart)*
