“ Tom was the best! Always such a goof and he always had a smile on his face! He has left a void at work that will never be filled. My kids honestly thought he was their uncle until they were older. We love you Tom, and you will be greatly missed.

“ I have several wonderful memories of Tommy, and all have one common thread—his unfailing kindness. As a mechanic, he was often exhausted from a tiring day’s work. This never stopped him from going the extra mile to enrich someone else’s life. He selflessly and patiently devoted much of his time to help those around him. He was truly a giving and thoughtful person. When I think of him I am reminded of that verse in the Bible that says, “no greater love hath a man than to lay down his life for his brother.” Tommy could always be counted on to give up his time and energy to do tasks for others. I was blessed to have him in my life and I look forward to greeting him on the other side. He is sorely missed.

“ I only met this guy one time. Cheryl and I had to go to their house and pick up somethings and he was the sweetest guy with a great smile on his face. He was so welcoming as if I've known him for years. I'm sure he will be greatly missed by all who knew him. May he enjoying Heaven with all his loved ones that have gone before him. Praying for comfort and peace for his family left behind. 🕊️💙
God bless you all.
