of wonder where nothing can compare
Celebrate me in that place
Celebrate me saved by grace

Denise Tim and I are so sorry for your loss. TOM and Tim were great friends growing up, going to school together and hunting together. I will always remember the days when Tom first met you he fell madly in love ❤️ with you. Then, when you both became parents to your beautiful baby girl Sarah how proud he was to be a father. To have you as her mother. May you find peace in knowing Tom will always be with you through both good and bad days in the future. Lean on each other and remember you are forever loved. Tom is a great man, friend, and family man.

“*The first time I met Tommy, Denise and Sarah, I knew I had made friends for life. Tom and Johnny grew up together, they loved to hunt and fish and we have had many meals together. Tom use to stop by our house and have supper on his way home then I'm sure he ate again after he got home, lol. Denise can really cook. We will miss our dear friend.*
